

PDF Action™

PDF ACTION™ FREE PDF READER
- MEETS ISO STANDARD 19005-1

Unique features are:

- View PDF's that contain heavy graphical content up to 300% faster
- Can fill in preset forms & save or print
- Use the view function to navigate quickly back through previously viewed PDF documents
- Open up to 17 different PDF's at a time
- Save PDF's as a high resolution graphic image (bitmap, jpg)
- Has maximum viewing space via a flyout bookmark menu system, which retracts automatically when not in use
- Users can delete pages or save PDF's
- Scroll over the navigational tool bar & see the help speech bubble, short cut keys and tool icons displayed in up to 7 different languages on the fly
- Password protection with additional memory security feature
- PDF Action works with any other PDF programs available today
- Reads PDF documents using shortcut keys
- Toolbar icon speaks by using the TAB key
